

Signs of Grooming

These red flags could be harmless when done alone but a combination of these could be dangerous.

RED FLAGS

1. Increased interests in your child
2. Adult sending private messages to your child
3. Giving your child gifts
4. Tries to spend time with your child unsupervised

What you can do to prevent this

1. Separate them from seeing or contacting your child. No contact at all
2. Talk to your child to see what they do together.
 - a. If your child was told to keep secrets.
 - b. Is there any inappropriate touching?
 - c. Talk to your child about good touches and bad touches
